## **The Dangers of Low Testosterone (Low-T) Drugs**

Thousands of men put on testosterone therapy (Low-T drugs) for treatment of low testosterone have reported serious, potentially fatal side effects. Studies have found that Low-T drugs may cause an increased risk for cardiovascular events that potentially can be deadly. If you or a loved one has taken or is taking Low-T drugs, this is an article to read and pass along.

## **Knowing these Common Texas Car Accidents Could Keep You Safer**

The four most common vehicle accidents in Texas are single-vehicle accidents, intersection collisions, head-on accidents and rear-end accidents. There are several conditions that can cause these crashes and sometimes they're unavoidable, but in many cases, a car accident can be avoided by being alert at all times and driving defensively.

## Tips to Build Your Credit after a Divorce

For spouses who did not have a credit history prior to marriage and did not develop one while they were married, divorce can be especially hard. Renting an apartment, financing a car -- anything that relies on credit can be hindered when you don't have credit of your own. But hope is not lost! There are simple measures to take during and after divorce that will help you begin building your own credit so you can thrive after divorce. [Read more >>>](#)

## Recipe of the Month

June 25th is National Catfish Day! This southern delicacy is easily found in muddy rivers and lakes and typically served up fried in fillets with a side of hush puppies. Check out this deep-fried catfish recipe with a flavorful batter that gives a delicious crunch to this slightly oily fish. [Get the recipe here.](#)
